

## **GETHSEMANE BAPTIST CHURCH – BUILDING USE POLICY**

This policy replaces the policy stated in Article IX, point 6 of the Gethsemane Missionary Baptist Church constitution, dated July 14, 2013.

Use of the church building and church facilities is restricted to: a) church-sponsored functions; b) member-sponsored functions (e.g. weddings, funerals, graduations, etc.), with the constraint that such functions must be in accord with the church's confessional statements (Baptist Faith and Message 2000 and the church constitution).
